

Dividend Reinvestment Plan

Plan Highlights

Dividend Reinvestment Plan

Under the Fortescue Metals Group Ltd (Fortescue) Dividend Reinvestment Plan (DRP), you may elect to have the dividends paid on some or all of your Fortescue shares automatically reinvested in additional Fortescue shares.

Further details of the DRP, in addition to these Plan Highlights and the Your Questions Answered, are contained in the accompanying Terms and Conditions.

Right to Participate

Participation in the DRP is entirely optional. All shareholders with an Australian or New Zealand address on the Fortescue register of members are eligible to participate in the DRP.

Shareholders who do not have an address in Australia or New Zealand on the register of members may only participate in the DRP if the Directors in their absolute and unfettered discretion approve of the participation.

How to Participate

You may elect to participate by completing a Dividend Reinvestment Plan Application or Variation Form (DRP Form) and returning it to the Fortescue Share Registry. Additional DRP Forms may be obtained from the Fortescue Share Registry.

You may participate in the DRP at any time. Your participation will commence with the first dividend paid after receipt of a valid DRP Form. However, the DRP Form must be received before 5:00pm (AWST) on the first business day following the Record Date to participate in that dividend.

Full or Partial Participation

Shareholders may elect to participate as follows:

- a. full participation in the DRP; or
- b. partial participation in the DRP.

If you elect to participate fully in the DRP, then all shares held by you at the relevant Record Date for all dividends will be treated as participating in the DRP.

If you choose partial participation, only the specific number of shares nominated will participate in the DRP. Dividends will be paid in the normal way for shares not participating in the DRP.

If you choose partial participation, any shares allotted or transferred to you under the DRP will not participate in the DRP unless the number of shares you hold is less than the specific number of shares you have nominated to participate in the DRP.

Rights Attaching to Shares Allotted or Transferred Under the DRP

Shares allotted or transferred under the DRP rank equally in all respects with existing shares from the date of allotment or transfer.

Issue Price

Shares are allotted or transferred at the average of the daily volume weighted average market price of all Fortescue shares traded on the Australian Securities Exchange over a specified number of trading days (as advised at the time the dividend is announced) commencing on the second trading day after the Record Date for the relevant dividend, less any applicable discount as determined by the Directors.

Number of Shares to be Allotted or Transferred

The number of new Shares to be allotted or transferred to each Participant depends on the value of the dividend declared.

The exact number of new Shares will be the value of the dividend entitlement divided by the Issue Price, rounded down to the nearest whole number of Shares.

Residual Balance after Shares are Allocated or Transferred

Any balance remaining after the rounding down will be retained for you and used to subscribe for shares under the DRP with the next dividend.

If you cease to participate in the DRP before the Record Date or you cease to hold shares under the participating shareholder registration number or the DRP is terminated before the Record Date for the next full year dividend, the balance will be donated to a charity, chosen by the Directors.

You will not receive any tax deduction for the amount donated to charity.

Costs of Participation

No brokerage or other transaction/administration costs are payable by Shareholders on shares allotted under the DRP at this time. You will be responsible for costs associated with seeking independent advice concerning your participation in the DRP.
