Our Commitment

Safety is at the core of Fortescue's values. The health and wellbeing of our people is our number one priority, always.

Our Strategy

Fortescue will achieve this by:

- Caring about the health and wellbeing of our employees and contractors. We will build leaders that live and breathe our safety value each and every day
- Ensuring our Executive Team is responsible for the safety outcomes in our workplace. They will set annual targets to continuously improve our safety performance as we strive to become global leaders in safety
- Fostering a culture where everyone works together to actively reduce exposures in our work activities
- Reinforcing the expectation that all members of the Fortescue family are "My brothers' and sisters' keeper". We look out for our mates and ourselves to maintain a strong safety culture
- Providing the necessary care and support should an injury occur at work
- Sharing our lessons learned to prevent repeat incidents
